

include/Core/Exception.h

```
graph TD; A[include/Core/Exception.h] --> B[iostream]; A --> C[exception]; A --> D[string];
```

A diagram illustrating the dependencies of the file `include/Core/Exception.h`. The top box, labeled `include/Core/Exception.h`, has three arrows pointing down to three separate boxes below it: `iostream`, `exception`, and `string`.

iostream

exception

string
