

oCpt::World::Time

```
classDiagram
    class oCpt_World["oCpt::World"]
    class oCpt_World_Time["oCpt::World::Time"]
    oCpt_World --|> oCpt_World_Time
```

The diagram illustrates a generalization relationship between two classes. At the bottom is a gray-shaded box labeled 'oCpt::World'. Above it is a white box labeled 'oCpt::World::Time'. A dashed purple arrow points from the top of the 'oCpt::World' box to the bottom of the 'oCpt::World::Time' box. To the right of the arrow, the text 'time_' is written.
